Flying alone! Nothing gives such a sense of mastery over time over mechanism, mastery indeed over space, time, and life itself, as this.

— Cecil Day Lewis

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Reminder: You must have your 2013 Skyhawks Membership Card to fly at the field.

Your current Skyhawks membership card must be placed in your frequency pin slot when you have the frequency clip. Everyone must use a frequency clip. Thanks.

Club Meeting Minutes

April 7, 2013

Todd called the meeting to order at 7:00 pm with 12 members and one guest, Dan Molumby, Wally Brown's grandson, in attendance.

Treasurer's report: Randy Lepsch read the report. We presently have 57 members.

Secretary's report: Jim Buttleman read the minutes from the March meeting.

Old business: Lloyd Swanson filled us all in on the upcoming charity, indoor fly-in.

Wendell asked about the progress with the web site editing software. Todd said they are working with Kerry on the issues. Wendell will send an updated list of 2013 club events to Kerry.

Todd led discussion about a possible late fee assessment for those paying their dues later in the year. After discussion, the motion on the floor was voted on and unanimously defeated. Randy Cady suggested a possible fiscal year dues date.

New business: Don Harker asked when the Porta Potty will be delivered to the field. Randy Lepsch said it will be delivered the last week in April. Several projects for field maintenance were suggested. After discussion, the date of May 11th at 10:00 AM was chosen for the clean up/fix up work at the field. Members should bring shovels, rakes, weed-eaters, etc.

Don Harker suggested a pathway be cut in the grass/weeds from the corner of the flying field to the farm field off the northeast end of the runway. This would make travel to that field in the event of a downed plane in that area a lot easier and safer. This may be a project for the Field Work Day.

Show n' tell: Todd brought a pilot bust, painted and highly detailed by Hobby King. Mark Woytassek brought his homemade vacuum pump. Jim Buttleman brought his foam, electric B-2.

Meeting closed at 8:00 pm

Skyhawks Secretary, Jim Buttleman
