## Upcoming Events

**Sunday, October 6, 2013, 7:00 PM, General Club Meeting at the Long Branch Supper Club at 7:00 PM.**

---

Flying was a very tangible freedom. In those days, it was beauty, adventure, discovery — the epitome of breaking into new worlds.

— Anne Morrow Lindbergh, introduction to Hour of Gold, Hour of Lead, 1929.

### Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

**Reminder: You must have your 2013 Skyhawks Membership Card to fly at the field.**

**Your current Skyhawks membership card must be placed in your frequency pin slot when you have the frequency clip. Everyone must use a frequency clip. Thanks.**

# Club Meeting Minutes

## September 8, 2013

Todd opened the meeting at 7:00 pm with 14 members present.

This will be the last meeting at the field. The October meeting will be at the Longbranch at 7:00 pm.

Members introduced themselves and described their current projects.

**Treasurer's report:** Randy wasn't available to give the report. An email report was sent out.

**Secretary's report:** Jim read the minutes from the August meeting.

**Old business:** Todd discussed past events.

**New business:** Wally F. Brown, a long time Skyhawks member, passed away. The secretary will send a card from the Skyhawks membership.

Jim Buttleman told of a visit he had from a Linn County deputy last week while he was at the field doing runway mat repairs. Jim reported to the deputy the past damage that had been done to the mat by the vandals dragging several

of the starting stands around the mat. Jim thanked the deputy. It's good to know they are keeping a watch on the field. Geoff Barrance stated that he has seen various items in the trees that show activity in our area. Members please report anything you see that's out of the ordinary. We all need to stay alert to any unauthorized activities in our area.

Todd was contacted to see if we could possibly do some flying for a birthday party on Saturday, September 21st. Todd will send out an e-mail with details.

Mark Barnett discussed the possibility of a pattern contest in June of 2014. Mark Woytassek and Mark Barnett will be putting this together.

**Show n' tell:** Geoff Barrance passed around a Testors "Fly-Em" Sopwith, .049 plastic model, new, still in original packaging he was given by a neighbor. Geoff checked with AMA to see if anyone would be interested in this item for museum placement. It will be donated to the AMA by the CR Skyhawks. Thanks, Geoff, for handling this for the club.

Meeting adjourned: Meeting closed at 7:45 pm

Skyhawks Secretary, Jim Buttleman
