Flying alone! Nothing gives such a sense of mastery over time over mechanism, mastery indeed over space, time, and life itself, as this.

— Cecil Day Lewis

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Reminder: You must have your current Skyhawks Membership Card to fly at the field.

Your current Skyhawks membership card must be placed in your frequency pin slot when you have the frequency clip. Everyone must use a frequency clip. Thanks.

Club Meeting Minutes

July 13, 2014

Todd opened the meeting at the field at 7:00 P.M. with 11 members present.

Treasurer's report:

Randy gave the report, stating we now have 69 paid up members.

Secretary's report:

Jim read the meeting minutes from the June meeting.

Old business:

There was a discussion on the condition of the driveway and surrounding area leading to the field. Todd reported the city has told him they hope to clear the trees out, hopefully by Wednesday or Thursday.

Todd went through the set-up schedule and job assignments needed for the Warbird Event. An E-mail with help needed and set-up details will be sent out by Randy. Set-up for the Warbird Event will start around 5:00 P.M. on Friday, with plans to have the sun shade and all tables, etc. set up and ready for Saturday's event. Todd informed the group that Hy-Vee catering and Honor Flight will be participating in the event.

Gary Owen asked if there had been any information about the garage use at the field. The use of the garage at the field for storage is still pending.

New business:

Geoff Barrance discussed his rebuttal letter to the AMA with his concerns to their errors in choice of words pertaining to model aircraft.

Show n' tell:

Joel and Kyle Smart brought their new Phaeton 95 that took them 21 months to complete. It's covered with Solartex, weighs 12 1/2 lbs. and has a Saito 1.50 for power. Cool colors and neat graphics really make this plane stand out.

Gary Owen brought his new Top Flight, giant scale FW -190. It's powered by a DLE 55 and weighs 28 lbs. and has an 85" wingspan. It has Robart pneumatic retracts, a Best Pilot figure and Callie Graphics. An Airtronics radio is used for control.

Meeting adjourned at 8:00 pm

Skyhawks Secretary, Jim Buttleman

Cedar Rapids Skyhawks Instructors

We want you to have a positive experience learning to fly. The more successful you are starting out determines if you will enjoy the hobby. The most important first step is to find an instructor to help you get off to a good start. The best way to contact an instructor is to call and make an appointment. There is also an Instructor Availability Calendar on the Skyhawks Website.
