Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Reminder: You must have your current Skyhawks Membership Card to fly at the field.

Your current Skyhawks membership card must be placed in your frequency pin slot when you have the frequency clip. Everyone must use a frequency clip. Thanks.
