Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Reminder: You must have your current Skyhawks Membership Card to fly at the field.

Your current Skyhawks membership card must be placed in your frequency pin slot when you have the frequency clip. Everyone must use a frequency clip. Thanks.

Club Meeting Minutes

November 2, 2014

Todd opened the meeting at 7:00 pm with fourteen members and one guest in attendance.

Treasurer's report:

Randy L. gave the report. He has 2015 membership cards, and he encouraged everyone to renew their memberships as soon as possible.

Secretary's report:

Jim B. read the meeting minutes from the October meeting.

Old business:

Doug Emerson's roller has been given to the Skyhawks. There was a discussion of the funeral service that was held for Doug, four Skyhawk members attended the service that was held at the First United Methodist Church on Saturday, October 25th, 2014 at 3:00 p.m.

There was discussion of field work that is needed to prepare the field for the winter months. Todd will set up a weekend to get this work done.

Nominations for officers:

Van made a motion that the nominations stand. The motion was seconded by Joel Smart. The nominations are:

Todd Davis, President

Wendell Maakestad, Vice President

Jim Buttleman, Secretary

Randy Lepsch, Treasurer

Elections will be held at the December meeting.

Geoff Barrance commented on the large number of comments the FAA has received regarding the proposed changes regulating model aircraft.

New business:

Don Rosendale donated two aircraft to the Skyhawks, a Thundertiger .40 ARF trainer and a LT- 40 with an O.S. FP .40

Todd contacted Lindale Mall, and it's still a "no go" for a March mall show. The mall is under new ownership, and their policies have changed regarding mall shows.

Van is setting up the date for the club Christmas party. He said it will most likely be Saturday, January 10th, but hasn't confirmed it as of yet.

Wendell informed the group as to how to buy any of Martin Miller's planes. You can call Martin's wife, Eva at 377-4899 to set up a time to visit her and see if there's anything you'd be interested in. Reasonable and appropriate offers for any items will be donated to the club.

Show n' tell:

Mark Barnett brought his 4 oz. Armonia pattern plane, powered by a park 250 motor.

Larry Brewer brought his invention where he can tether a modified c.l. plane that he controls with RC. He says this sure beats standing in the middle of the circle and getting dizzy, and is a big help if one's eyes are getting weaker.

Meeting adjourned at 8:00 p.m.

Skyhawks Secretary, Jim Buttleman
