Why fly? Simple. I'm not happy unless there's some room between me and the ground.

— Richard Bach, *A Gift of Wings*, 1974.

“The Skyhawks are a great partner and add a wonderful recreational element to our city.”

Parks Superintendent

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Reminder: You must have your current Skyhawks Membership Card to fly at the field.

Your current Skyhawks membership card must be placed in your frequency pin slot when you have the frequency clip. Everyone must use a frequency clip. Thanks.

Club Meeting Minutes

September 7, 2014

Todd opened the meeting at 7:00 pm with eleven members present.

Treasurer's report

Randy read his report.

Secretary's report

Jim read the minutes from the August meeting.

Old business

Wendell reported that we now have use of the garage at the field location. He will have the key. If you have Skyhawks items that need to be stored, contact Wendell. Wendell and Jim put all the tables and chairs, sun shade, the grill, etc. that were in the pit area in the garage.

Todd reported on the activities at the Owatonna, Fond du Lac and Ames events he attended.

Geoff Barrance noted that the cutoff

time for comments to the FAA is September 23rd. This is regarding the proposed rules that would regulate model aircraft.

New business

Mark Barnett gave a report on the pattern contest in St. Louis that he and Mark Woytassek participated in.

Show n' tell

Robin Barnett and Todd brought the trophies they received at the September 6th Multi-Engine, Warbird and Classic Event at Ames.
