Upcoming Events

Saturday, June 6, 2015, Demonstration Day, 1:00 PM to 4:00 PM. Set up at noon. Rain date Sunday, June 7, 2015. See details following the minutes.

Sunday, June 7, 2015, 7:00 PM, General Club Meeting at the field. In case of adverse weather, we will meet at the Hiawatha Public Library.

Saturday, June 13, 2015, Davenport Fun Scale Fly In.

Saturday, July 18, 2015, Warbirds Over Iowa. Rain date Sunday, July 19, 2015.

Aviation in itself is not inherently dangerous. But to an even greater degree than the sea, it is terribly unforgiving of any carelessness, incapacity or neglect. ~Captain A. G. Lamplugh, London, 1930's

“The Skyhawks are a great partner and add a wonderful recreational element to our city.”

Daniel Gibbins, ISA
Parks Superintendent
Cedar Rapids Parks & Recreation
Department

Reminder: You must have your current Skyhawks Membership Card to fly at the field.

Your current Skyhawks membership card must be placed in your frequency pin slot when you have the frequency clip. Everyone must use a frequency clip. Thanks.

Club Meeting Report

May 3, 2015

Todd opened the meeting at 7:00 pm with nine members and three guests in attendance.

Treasurer's report:

Randy gave the report.

Secretary's report:

Jim read the meeting minutes from the April meeting.

Old business:

There was discussion about how well the April 25th model show at the Hiawatha Library had went.

The Doug Emerson family donated a roller to the Skyhawks that will be used for runway maintenance. We thank them for this generous gift.

Todd rented a larger roller and did three hours of runway rolling, and he reported it helped smooth the surface out considerably.

Skyhawks Demo Day will be June 6th. Rain date is June 7th.

New business:

There was discussion that the meetings will be held at the field during the summer months of June, July and August.

Model aircraft show at library:

The show was a big hit with all those that attended throughout the day. Thanks to Geoff Barrance for bringing his computer and flight simulator program, which was a big hit with all that tried their skills. Thanks to Rich and Todd for their assistance on the simulator. The kids really got a big kick out of it. Thanks to the Skyhawks members who brought models for display. There was a

good variety of models to be looked at by all those that stopped in.

Meeting adjourned at 7:30 pm

Show n' tell:

Todd brought an air regulator that he will install in one of his warbirds. New member, James Jorgensen, brought his Flyzone Albatros.

Skyhawks Secretary, Jim Buttleman

President's Letter:

Saturday June 6th the Skyhawks will be hosting our Demonstration Day. Please make every effort to come out to the event. If you have something you'd like to fly, bring it. We will attempt to put together a show between 1-4 PM, so I would like to see everyone who wants to fly arrive by Noon. That way we can put together a schedule so we can keep the show moving. No matter what it is you bring, we'll get you a chance to fly during the event, most likely twice. Keep in mind it is an airshow demonstration, so we'll want to provide some good action for the crowd. Try to bring your most impressive or unique aircraft. We try to demonstrate all aspects of the hobby, so more tends to be better. Everything from park fliers to giant scale will be needed to show a wide range of aircraft.

If you don't want to fly, or don't have anything to fly, please come out anyway. We can always use someone to help out with the event.

If the weather forecast looks bad for Saturday, the event may be moved to Sunday. I will make the call on Friday at the latest and get the word out to everyone.

Hope to see you all there!
Todd Davis, President.

CR Skyhawks 2015
DEMO Day

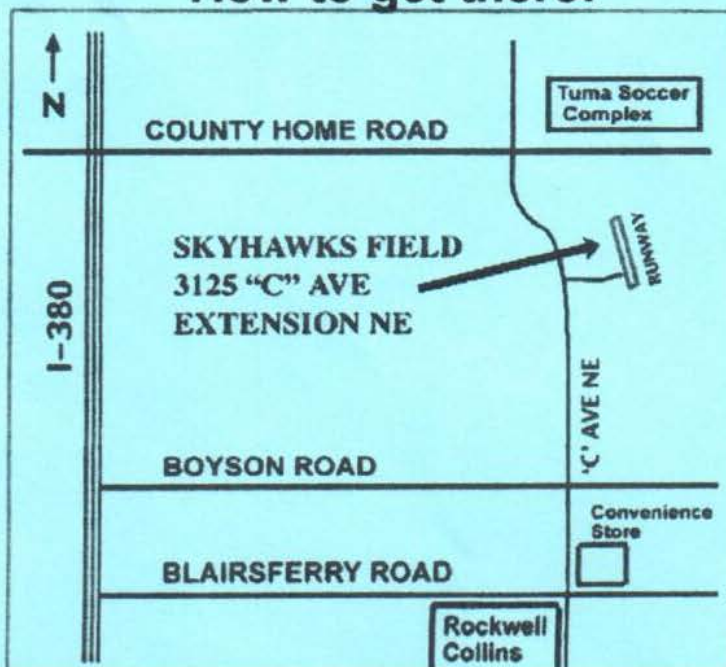

Saturday June 6 1PM-4PM
(Rain Date June 7)

Warbirds Over
IOWA

Saturday July 18 9AM-4PM
(Rain Date July 19)

Saturday, April 25 10AM – 5PM
Hiawatha Public Library

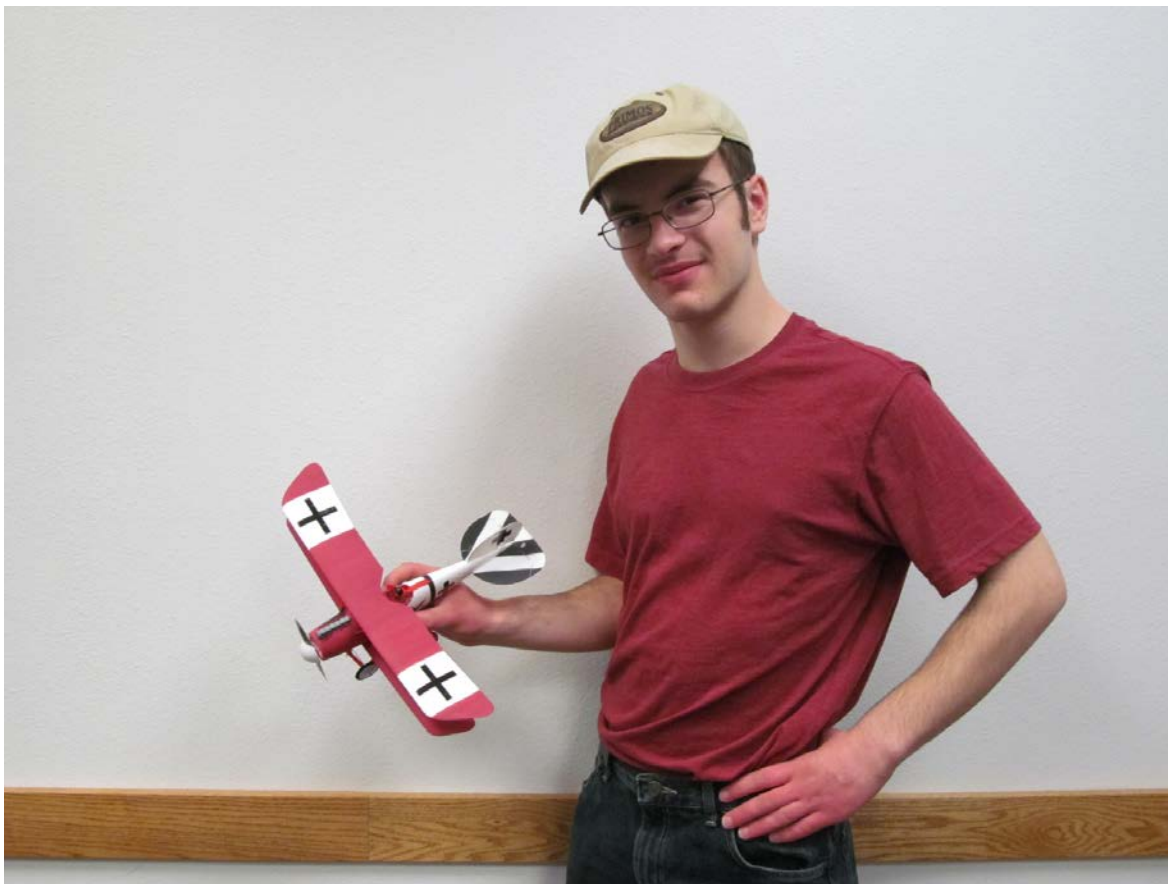

James' Albatros

Cedar Rapids Skyhawks Instructors

We want you to have a positive experience learning to fly. The more successful you are starting out determines if you will enjoy the hobby. The most important first step is to find an instructor to help you get off to a good start. The best way to contact an instructor is to call and make an appointment. There is also an Instructor Availability Calendar on the Skyhawks Website.
