should take that frequency clip. Everyone must
use a frequency clip. Thanks.**

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Club Meeting Report

September 6, 2015

Todd opened the meeting at 7:00 pm with eight members in attendance.

Treasurer's report:

Not available.

Secretary's report:

Jim Buttleman read the minutes from the August meeting.

Old business:

Todd briefly discussed the AMA/ FAA proposed regulations regarding unmanned aircraft systems.

The first aid kit has been updated and refreshed by Dr. Mark Barnett. Thanks to him for attending to this important matter.

The Ames Multi-Fly was discussed by Todd and those that attended the event, Todd, Gary, Robin, and Wendell all brought back trophies. It was reported the event was very nice even though the temperatures were very warm. Thirty-three pilots attended. The Skyhawks made a good showing at the event.

Congratulations to those Skyhawks who attended the event.

Skyhawk awards at Ames Multi-Fly.

Best group flight: Todd and Gary

Fellowship award: Robin

Best multi-engine flight: Wendell

New business:

There was discussion of the Kyle Smart funeral.

There was discussion of damage to the fence at the north end of the parking area caused by unauthorized vehicles in the area. Wendell will have a new "NO TRESPASSING" sign made and get some new orange traffic cones to replace the old ones. There was also discussion about the possible installation of a cable or gate to control unauthorized vehicles.

Wendell mentioned the field needs to have an application of weed control chemicals this fall. He will get the chemicals and a group gathering with spreaders will take place at the end of the season to apply the chemicals.

Todd presented Don Harker with the Skyhawks Fellowship trophy, this trophy has been passed among the Skyhawk members for many years, congrats Don.

Show n' tell:

Todd brought his scale pilot figure for his new 1/6th scale Hawker Hunter jet project. He's hoping to have it ready for a spring debut in 2016.

Meeting adjourned at 7:45 pm

Some reminders about our field flying area

There is a line that extends from the north and south end of the leading edge of the runway. Under no circumstances should aircraft be flown West of that line.

Pilots cannot fly from the other side of the runway in the morning to keep the sun out of their eyes.

As shown in the photo, we maintain the 1000ft X 500ft box as a flying area. We easily maintain the 250ft safety limit from County Home Road to the North.

Cedar Rapids Skyhawks Instructors

We want you to have a positive experience learning to fly. The more successful you are starting out determines if you will enjoy the hobby. The most important first step is to find an instructor to help you get off to a good start. The best way to contact an instructor is to call and make an appointment. There is also an Instructor Availability Calendar on the Skyhawks Website.
