Cover photographs needed for the Logbook

We would really appreciate people submitting photos
for consideration for use as the Logbook cover. Cover
photos need to be in portrait mode, and should be as
high a resolution as possible, preferably 2000 by 3000
pixels or more. Furthermore, the top third of the photo
should be sky or some other appropriate background so
as not to interfere with the banner of the Logbook.

Club Meeting Report

August 4, 2016

Todd opened at the field at 7:00 pm with 10 members in attendance.

Treasurer's report:

Geoff Barrance gave the report.

Secretary's report:

Jim Buttleman read the minutes from the July meeting.

Old business:

The Warbird Event was discussed. We had good pilot participation and assistance from club members with the event. More than \$2000.00 was raised for Honor Flight. Thanks to all who helped with the event.

There was discussion about the 400 foot altitude limit for model aircraft that was proposed by the FAA. This has been clarified and aircraft can exceed the 400 foot limit if the modeler is a member of a community based organization like the AMA.

Welcome new members:

Welcome to the new father/son team Ron and Michael Rohrssen and Chip Haverly.

Show n' tell:

Geoff Barrance brought his Saito 150 that he had muffler issues with and corrected with a new muffler.

Mike Tope brought two airplanes, a Sig Seniorita, electric powered and modified with ailerons, and a Dura-Fly P-47, also electric powered.

Meeting adjourned at 7:40 pm

Skyhawks Secretary,

Jim Buttleman

Cedar Rapids Skyhawks Instructors

We want you to have a positive experience learning to fly. The more successful you are starting out determines if you will enjoy the hobby. The most important first step is to find an instructor to help you get off to a good start. The best way to contact an instructor is to call and make an appointment. There is also an Instructor Availability Calendar on the Skyhawks Website.
