Upcoming Events

Sunday, November 6, 2016, 7:00 PM, General Club Meeting at the Hiawatha Library.

Sunday, January 29, 2017, 8:00 AM, Iowa City Swap Meet

Airshow flying is tough, it's even tougher if you do something stupid. Don't do nuthin dumb!

~Ralph Royce, Airshow boss

“The Skyhawks are a great partner and add a wonderful recreational element to our city.”

**Daniel Gibbins, ISA
Parks Superintendent
Cedar Rapids Parks & Recreation Department**

Reminder: You must have your current Skyhawks Membership Card to fly at the field.

Your current Skyhawks identification badge must be worn when you participate in a flying activity. If you are flying on a 72 MHz frequency, you must use a frequency clip. Thanks.

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Club Meeting Report

October 2, 2016

Todd called the meeting to order at 7:00 pm with 11 members and two guests in attendance.

Treasurer's report

Geoff read his report.

Secretary's report

Jim read the minutes from the September meeting.

Old business

Discussion on runway mat replacement.

Wendell did a lot of research on several different materials that can be used to replace the old runway mat at our field. He brought samples of these different materials, and told us of the properties of each sample, the cost, RV factor, available roll sizes and the weave size and how porous each one is. Wendell also communicated with the Iowa City club and obtained information from them as to their new runway mat. At the end of the discussion Wendell made a motion to wait at least one year to replace the mat at our field. It was seconded by Mark Barnett, and the motion was passed.

New business

Mark Woytassek suggested we need the map on the web site that shows directions to the field updated, this will be communicated to Randy Lipsch, webmaster.

Mark Barnett discussed a pattern contest planned for July 9th and 10th, 2017 at our field. If you have any questions contact Mark Barnett or Mark Woytassek for details.

Nomination of club officers

All present club officers agreed to accept their positions again. A motion was made by Andy Anderson to nominate all current officers for their present positions. Gary Owen seconded the motion, and the motion was passed.

Nominations for club officers will be open again at the November meeting. Club members were encouraged to express interest in serving the club as a new officer. Let one of the current officers know if you are interested in accepting a position. The election of club officers will be held at the December meeting.

Show n' tell

Todd brought his "flying bird/creature/pterodactyl" by Hobby King.

Todd told us of its flight characteristics, with added body motions by himself to better explain. I remember him saying something about the "glide" of this creature, and the fact that "one flies it into the ground for the landing".

Meeting adjourned at 7:45 pm

Skyhawks Secretary,

Jim Buttleman

Todd's Flying Pterodactyl

PLEASE POST

**Mark the date! Huge Eastern Iowa
Swap Meet & Auction, GREAT LOCATION!
It's the 14th Annual Iowa City Aerohawks

Iowa City Aerohawks is a radio control flying club. All Aerohawks are also members of the Academy of Model Aeronautics, Chapter 824

Cedar Rapids Skyhawks Instructors

We want you to have a positive experience learning to fly. The more successful you are starting out determines if you will enjoy the hobby. The most important first step is to find an instructor to help you get off to a good start. The best way to contact an instructor is to call and make an appointment. There is also an Instructor Availability Calendar on the Skyhawks Website.
