“The Skyhawks are a great partner and add a wonderful recreational element to our city.”

Daniel Gibbins, ISA
Parks Superintendent
Cedar Rapids Parks & Recreation Department

All club members must read and follow the safety rules. They are available on the website.

Reminder: You must have your current Skyhawks Membership Card to fly at the field.

Your current Skyhawks identification badge must be worn when you participate in a flying activity. If you are flying on a 72 MHz frequency or Ham band, you must use a frequency clip. Thanks.

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Skyhawks Meeting Report

June 4, 2017

A short meeting at the field was opened by Todd at 7:00 pm with 11 members present.

Treasurer's report

Geoff gave his report.

Secretary's report

Jim read the minutes from the May meeting.

New business

Todd discussed the planned rolling of the field had been delayed and it was going to be done on Saturday. Todd said that there will be an e-mail forthcoming with work day information.

Several new picnic tables are now at the field. Thanks to Wendell for contacting the Parks Department, and thanks to the city for providing the tables. They are a nice addition to the field. Also, two new **Spectators Must Stay Behind The Fence** signs have been installed.

Kevin Gordon said he would work on the tables and provide a hole in the top for sun shade umbrellas. Thanks, Kevin, for handling this important modification.

Todd stated that he has new T-shirts coming for the Warbird event.

Mark Barnett will provide information to Randy Lepsch, who will post the club's pattern event information on the club website.

There was a brief discussion about safety, and it was suggested that all electrics should be energized at the west edge of the runway, not in the pit area.

Show n' tell

Mark Barnett and Mark Woytassek explained the mechanics of the Club Class pattern. Mark Barnett, pilot, and Mark Woytassek, caller, demonstrated each maneuver in the Club Class.

Meeting adjourned at 8:00 pm.
