Upcoming Events

Sunday, January 28, 2018, Iowa City Swap Meet. See details in this Logbook.

Sunday, February 11, 2018, 7:30 PM, General Club Meeting at the Hiawatha Library. NOTE: MEETING DATE AND TIME CHANGE.

Saturday, March 31, 2018, 11:00 AM to 3:00 PM, Skyhawks RC Model Aircraft Show, Hobbytown. See details in this Logbook.

Without my airplane I am an ordinary man, and a use-
less one - a trainer without a horse, a sculptor without
marble, a priest without a god. Without an airplane I am
a lonely consumer of hamburgers...

~Richard Bach

"The Skyhawks are a great partner and add a wonder-
ful recreational element to our city."

Daniel Gibbins, ISA
Parks Superintendent
Cedar Rapids Parks & Recreation Department

All club members must read and follow the
safety rules. They are available on the website.

Reminder: You must have your current Skyhawks
Membership Card to fly at the field.

Your current Skyhawks identification badge must be worn
when you participate in a flying activity. If you are flying
on a 72 MHz frequency or Ham band, you must use a fre-
quency clip. Thanks.

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for con-
sideration for use as the Logbook cover. Cover photos need to
be in portrait mode, and should be as high a resolution as pos-
sible, preferably 2000 by 3000 pixels or more. Furthermore,
the top third of the photo should be sky or some other appro-
priate background so as not to interfere with the banner of the
Logbook.

President's Report

January 20, 2018

Saturday, January 20th, the Cedar Rapids Skyhawks had our annual dinner at Papa Juan's in Cedar Rapids. We had a good turn-out, with about 34 Skyhawks and guests taking part. Before we started eating, the Fellowship trophy for last year was awarded to Kipp Haverly. Kipp spent many days at the field last year, and was always happy to greet everyone and talk RC. He demonstrated the joy of flying and the comradery that pulls us all into this hobby. We ended the evening by handing out some gift certificates. We appreciate the certificates that Hobbytown donated and will be sure to return the favor by supporting them. I think a good time was had by all as we talked about our latest projects and discussed the fun we'll have in the upcoming season.

Some other items:

The meeting next month will be held on February 11th due to Superbowl Sunday being on the 4th. Because of a scheduling conflict at the library, we'll start the meeting at 7:30 instead of the usual 7:00. We hope to get back to regular time with future meetings. I'll send out a reminder e-mail prior to the meeting.

Coe College is hosting a Science Olympiad that has two aircraft related events. They are looking for people to help judge and run the events held on Saturday, April 7th. Randy Davis and I did it last year, and it was a good time. Let me know if you're interested and I'll forward the e-mail to you so you can get signed up to help.

Don't forget that we'll be having our RC aircraft show on March 31 at Hobbytown. Get ready to show off your newest project. We'll need aircraft of all types and sizes to present a good representation of the hobby. I'll try to promote the event well enough so we get some traffic.

Remember to get your AMA membership renewed and to pay your Skyhawks dues. Geoff Barrance can take your money through the mail or in person at our meetings and events. I'll get a new badge printed for you soon after you sign up. You can pick up badges at events or at the field later this spring. We want to get away from mailing stuff out when we can.

I plan on attending the Aerohawks Swap meet at Iowa City Sunday January 28th to sell some stuff and promote Warbirds over Iowa 2018. Swing in and say hi if you attend.

Todd Davis, President Cedar Rapids Skyhawks

Hobbytown Cedar Rapids

Cedar Rapids Skyhawks Instructors

We want you to have a positive experience learning to fly. The more successful you are starting out determines if you will enjoy the hobby. The most important first step is to find an instructor to help you get off to a good start. The best way to contact an instructor is to call and make an appointment. There is also an Instructor Availability Calendar on the Skyhawks Website.
