“The Skyhawks are a great partner and add a wonderful recreational element to our city.”

Daniel Gibbins, ISA
Parks Superintendent
Cedar Rapids Parks & Recreation Department

All club members must read and follow the safety rules. They are available on the website.

Reminder: You must have your current Skyhawks Membership Card to fly at the field.

Your current Skyhawks identification badge must be worn when you participate in a flying activity. If you are flying on a 72 MHz frequency or Ham band, you must use a frequency clip. Thanks.

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Skyhawks Meeting Minutes

July 1, 2018

Todd opened the meeting at 7:00 PM. There were 8 members present for the meeting.

Geoff gave the treasurer's report; we are currently at 67 paid up members for 2018 season.

It was good to see everyone at the meeting. Randy read the minutes from the last meeting.

Old Business:

Electric fly is July 14th. Mike Tope will be running the flight line. It should be a good event, so get your electrics ready for the fly-in.

Todd is getting an advertisement set up for Warbirds over Iowa. It is on Channel 9 **Show You Care** (Dave Wright Subaru picked it up). It is also on Z102.9 Z Cause. Get your warbirds ready to fly. This is always a great show with a good spectator turn-out.

Big Brothers and Big Sisters event is Aug 7th at 6PM. We'll be doing a demo, a presentation and hopefully some stick time for the kids if we get some trainers. Plans will be finalized in August. If there are kids in the program who want to get into RC we'll provide free Skyhawks membership to go with the free AMA membership.

New Business:

Thanks to Diego for providing some extra gravel on the road.

Expect a work day prior to Warbirds Over Iowa and the Electric Fly-in. Also, we will need help setting up for Warbirds over Iowa the Friday before. Todd will send out more information. Shirts will be provided to volunteers that help out on Saturday. Todd will be sending out an email on positions that need to be filled for the event.

Show n' tell:

Mike Tope brought an Electric A6 Intruder. Weighs about 4.5 lbs made by Motion RC. It has retracts on the landing gear.

Jim Buttleman showed off wing struts he made for one of his planes.

Meeting adjourned at 7:35PM.

Cedar Rapids Skyhawks Instructors

We want you to have a positive experience learning to fly. The more successful you are starting out determines if you will enjoy the hobby. The most important first step is to find an instructor to help you get off to a good start. The best way to contact an instructor is to call and make an appointment.
