Upcoming Events.

Sunday, October 6, 2019, 7:00 PM, General Club Meeting at the Hiawatha Library.

Fly it like you stole it!

~Bill Stein, Airshow pilot

“The Skyhawks are a great partner and add a wonderful recreational element to our city.”

Daniel Gibbins, ISA
Former Parks Superintendent
Cedar Rapids Parks & Recreation Department

All club members must read and follow the safety rules. They are available on the website.

Reminder: You must have your current Skyhawks Membership Card to fly at the field.

Your current Skyhawks identification badge must be worn when you participate in a flying activity. If you are flying on a 72 MHz frequency or Ham band, you must use a frequency clip. Thanks.

Cover photographs needed for the Logbook

We would really appreciate people submitting photos for consideration for use as the Logbook cover. Cover photos need to be in portrait mode, and should be as high a resolution as possible, preferably 2000 by 3000 pixels or more. Furthermore, the top third of the photo should be sky or some other appropriate background so as not to interfere with the banner of the Logbook.

Skyhawks Meeting Minutes

September 1, 2019

Todd opened the meeting at 7:00 PM.

There were 5 members present for the meeting.

Geoff gave the Treasurer's report; we are currently at 83 paid up members for the 2019 season

Old Business

The AMA Award for positive press was discussed. The AMA gave us \$175.00 for the positive news coverage, and the check was deposited into the general fund.

The Pattern flying contest had 22 pilots attend. Pilots from as far as Colorado attended. Several pilots from across the Midwest attended. Thanks for all that helped make the event a success.

Wendell has received an order of one dozen new Skyhawks logo hats. These hats have been requested by some members and are available for purchase at their cost, \$11.00. Contact Wendell if you would like one.

New Business

Todd talked about a couple of warbird events that he went to. Todd said the events were good and plenty of planes and good flying. Todd also attended the Ankeny event which was both an RC plane show and full-scale Air show. An FAA number was required to fly at the Ankeny event. Wendell stated that some participants were required to show their FAA Registration Cards. If you are going to any of these events it may be a good idea to print out and take your FAA card. All events require your AMA card.

Show N Tell

Geoff brought an old simulated transmitter that shows the stick movements that he got from Charlie Moyers sale. It was used to teach a student to learn how the stick movements felt. Pretty cool device for back in the day.

Meeting ended at 7:30 PM.

Skyhawks Secretary, Randy Lepsch

Hats for sale. Contact Wendell if you would like one.

Cedar Rapids Skyhawks Instructors

We want you to have a positive experience learning to fly. The more successful you are starting out determines if you will enjoy the hobby. The most important first step is to find an instructor to help you get off to a good start. The best way to contact an instructor is to call and make an appointment. There is also an Instructor Availability Calendar on the Skyhawks Website.
